## *Welcome to Right to Life Banquet*

### **Friends of Right to Life,**

On Behalf of the local Right to Life Groups we would like to take this opportunity to extend this welcome to all those in attendance for this special event. This Annual Right to Life Banquet has grown from the first Banquet held in Plainville on November 17 of 1977. Those first Banquets were held to bring people together to show what could be done when we band together not only in our local community but across our country as well. That first Banquet we held had about 50 people and now we have 500-700 annually.

When the infamous abortion decision came down on January 22, 1973, the pro-abortion forces thought we would eventually get tired and die out. Well the old guard has pretty well all died out but young blood has stepped in to take up the battle. Yes we are tired and would like to get more help but we will keep fighting this battle as long as the "Good Lord" gives us the strength to continue on.

Won't you consider stepping forward to help us in this battle? If you can be active, we can use your help in various aspects of the movement, in the office, with the Banquet or just talking to your family, friends or neighbor about what abortion is doing to our society.

If this is not your cup of tea, we can always use your financial help. This will help us to put ads on radio, newspapers and road signs which will promote the protection of the unborn and respect for all life from cradle to the grave. As the Marines use to say, we need a few good men and women. Whatever your choice, we need you!

Louis Kavanaugh Jr.

## **Banquet Speaker Brad Mattes, President of Life Issues Institute**

Bradley Mattes is president of Life Issues Institute, the pro-life grassroots partner of the Susan B. Anthony List Education Fund, headquartered in Cincinnati, Ohio. The organization was founded by pro-life pioneer Dr. John C. Willke in 1991 to serve the educational needs of the pro-life movement. Its primary objective is to globally develop and disseminate effective pro-life educational material.

For eight seasons, Brad was host and executive producer of Facing Life Head-On, a weekly pro-life TV program that was available to more than 100 million homes in the US and Canada. The program earned three Regional Emmy® awards and several

other industry accolades before production ceased in 2015.

Brad also hosts Life Issues, a daily radio commentary on abortion and other life issues. Carried on nearly 1,200 radio outlets across the US, the program was recognized by National Religious Broadcasters with the 2016 Radio Impact Award.

Brad has also hosted various half-hour radio programs on such topics as the anniversary of Roe v. Wade, adoption, men and abortion and US Supreme Court vacancies. Brad is president of the International Right to Life Federation and a frequent international speaker and lecturer on abortion and related life issues. He works with other countries to establish a pro-life educational and counseling presence. He also is chairman of the board of directors of the Terri Schiavo Life and Hope Network, working to protect vulnerable individuals and educate others on end-of-life issues.

Brad has done considerable anecdotal research on the effects of abortion on men, and his writings on this topic have been printed in US and international publications. He has a master's degree in Biblical Studies and Biblical Counseling from Master's International University of Divinity and has written undergraduate and post-graduate courses on men and abortion.

A veteran of the pro-life cause, Brad has more than 42 years of educational, political and humanitarian experience. Currently, he serves to protect innocent human life as Peer counselor to men who've lost a child to abortion, media spokesperson for television, radio and newspapers and Speaker at pro-life banquet and educational events.

# PICTURE ON THE FRONT & BACK COVER OF BOOK

**The picture on the front cover of the Banquet Book is the adoptive children of Mike and Jill Wininger. The picture on the Back Cover contains a family picture of the Wininger's.**

**The following account is how the adoption came to pass in the words of Mike and Jill Wininger..**

## **The Adoption Story**

Adoption has been on Jill's heart from a very young age. Jill has always said she wanted to have one or two biological children and adopt one or two of her children. When we started dating and discussing marriage, adoption was a topic of discussion and we both knew it would be a part of our lives one day. We got married in the summer of 2012 and the following year, decided we were ready to start our family. We got pregnant quickly but unfortunately miscarried baby Wininger. We were devastated. We would have to go through this grueling process two more times and each time was harder than the first. After multiple doctor visits and months of trying to conceive, we decided adoption was how we were going to grow our family.

It was an easy decision for us to choose to adopt domestically instead of internationally. We both felt that God was calling us to adopt close to home. We met with an adoption agency in March 2016 to start our adoption journey. In December 2016 we got a call that a birth mother had selected our profile and wanted to meet with us. Oh, and that the baby was due in January. To this day, that is one of the best phone calls we have ever received. We were blessed to get to meet with Miss Whitney and her parents in Greenwood where they lived. It was at that dinner we learned she was having a baby boy. We had two names picked out and let her decide what to name the baby. She picked Elijah and we couldn't have been happier (that was our top choice, too).

We were blessed to be able to be in the labor room and delivery with Miss Whitney. The moment our Eli was brought in to this world was the moment our lives changed forever. I don't think either of us thought our hearts could hold so much love. Miss Whitney has chosen not to have an open adoption. We respect her decision and pray for her daily. Eli prays for Miss Whitney every night before he goes to bed and she will always be honored in our house.

After Eli was a year, we decided to go see a fertility specialist to see if Jill would be able to conceive and carry a baby to term. This led to a surgery and medication that ultimately did not end up in a pregnancy. In August 2018 we decided we were ready to grow our family again by adoption. We decided to adopt through adoption lawyers this time

around and met with a lawyer at his office in Indianapolis on Friday, September 21st. On Sunday, September 23rd we were at our church's fall festival and Jill gets a call from our lawyer. He stated that he had an emergency situation and needed an adoptive family. A beautiful baby girl was born the day before and he did not have a family for this baby. The next few hours were a blur for us. We were able to FaceTime with Miss Lorena and see our beautiful baby girl for the first time.

After we FaceTimed, our lawyer called us and said she wanted us to adopt her baby girl and to get to Fort Wayne as fast as we could. We kissed Eli goodbye, ran home, grabbed as many neutral baby clothes as we could find, and headed north. We always knew Anna Louise was the name we wanted to give our baby girl so thankfully we didn't have to scratch our heads for a name! We are blessed to have an open adoption with Miss Lorena and plan to visit with her four times a year.

Adoption is beautiful but there is always brokenness that comes with adoption. These two birth moms have provided more joy to our lives than they will ever be able to understand, but our joy comes from their heartbreak. We thank God daily these women chose life for their children. Their love for their babies is evident in their decision.

# HISTORY OF DAVIESS COUNTY RIGHT TO LIFE INC.

The Daviess County Right To Life Organization was founded in November of 1976 when a small group of people met and decided it was time to form an organization in Daviess County to promote life and work to overturn the Roe vs. Wade Decision which legalized abortion in 1973. A group from Evansville was instrumental in helping our organization get started. Some of the individuals from Daviess County helping to form the organization was Bob Johnson Pastor of Plainville Christian Church along with Ben Ray & Eva Bean, Pastor of Bethany Christian Church, along with Bernie & Alma Wichman, Bill & Josephine Wichman, Margaret Wichman and Vic Hopkins. Bob Johnson became the first president of the organization.

Daviess County Right To Life held its first Banquet in November of 1977 with Wayne Smith as the Speaker, and it was held at the Plainville Lions Club Building in Plainville. We have held a banquet each year since that time, and this has become the highlight of the year for the organization as hundreds of pro-life people come together to renew their effort in the fight against abortion in this country. After the first Banquet was held in Plainville the Banquet was then held at Washington High School for two years and then moved to the Ruritan Building in Montgomery for the next 26 of 27 years with the exception of the Gasthof Restaurant in 1997 before moving to the Simon J. Graber Building which will be the third year. Each time it was moved to accommodate the larger crowds that attend the Banquets.

In 1980 Daviess County RTL was put on the Map when our Banquet was held at the Montgomery Ruritan Building as Dr. Jack Willke and Barb Willke spoke to the nearly 500 who attended this event. The Pro-Life Movement was just coming on the National scene, and National CBS sent a film crew from Chicago to cover this event. The State Right To Life President attended along with Dan Quayle who was running against Senator Birch Bayh made a guest appearance. Film clips from this event were seen on National TV on the CBS Morning Show a day later. The reason the film crew came was to find out why the grass roots pro-life movement was growing so fast and to gage the impact it might have on the 1980 elections, and it did not take long to find out. The film crew could not

get over the large crowd that attended in this rural area and was impressed with Southern Indiana Hospitality. Future Banquet Speakers have included major names in the pro-life movement and national figures.

Daviess County Right To Life Organization has been instrumental in helping other Right To Life Groups in our area to form or to give them a helping hand either with donations or with organizational help for their organization. Daviess County Right To Life has been very much involved on the State Level as our local President has not only served as State President but has served on the National Right To Life Board of Directors representing Indiana. Daviess Co. RTL has not only been active in our local area but have been active on the State and Federal level as well. Daviess County Right To Life Organization does not receive funding grants or donations from State or Federal organizations of any kind. The only sources of income for the Organization is from donations from its members and Paper Drives which was started back in 1978 and continues to this day. Daviess Co. RTL opened an office on Main Street in Washington in the early part of 1998, and thru the efforts of then President Donna Gentry opened the Pregnancy Care Center in January of 1999. The Center has now grown where it has its own identity and office staff and serves hundreds of individuals each year. The Pregnancy Care Center and Daviess County Right To Life Organization now share offices in the lower level of the Grace Baptist Church on Troy Road in Washington.

In the years of existence Daviess County Right To Life has only had three Presidents, Bob Johnson from 1976 to 1978, Louis Kavanaugh Jr. from 1978-1995, Donna Gentry from 1995 to 2006 and Louie Kavanaugh Jr. has returned to the office of President in January of 2007 to the present time. Daviess County Right to Life has been very blessed with so many dedicated people who have given so much of their time and effort for the organization. Daviess County RTL has promoted life and worked against abortion thru Radio and Newspaper ads, Booths at Fairs and Montgomery Turkey Trot, put on programs at churches and schools and have lobbied our elected officials to support pro-life legislation. Although we are small in numbers, we have individuals who give it their all for the organization.

Our Organization was hit hard in January of 2011 while honoring Donna Gentry with a Memorial Bench at the site of the First Pregnancy Care Center She suddenly took ill and died a few days later. It was a shock to the organization and to her family and friends who knew her well. She

was the founder of the Pregnancy Care Center and served as President of the Daviess Co. RTL for 1995-2006 and worked tirelessly for the organization. Many projects she undertook was a real shot in the arm not only to the organization but to the pro-life movement. She ran for State Representative on two occasions and nearly upset a long term incumbent in her first try for public office.

Although we have made history in the past, we truly hope the history we make in the future will be that all lives of the unborn are protected from conception to natural death. May God Bless our all of us in our work and Bless our Country!

The Picture/Write Up below appeared in the local Newspapers at the time the Pregnancy Care Center was opened in January of 1999.

## **Bethany Christian Church, Near Montgomery, Site Where Daviess Co. RTL Held Meeting for Many Years**

The picture above of the old Bethany Christian Church west of Montgomery on Hwy 50 was taken just two days before the church was taken down. This was the site where Daviess County Right To Life held its meetings for many years. After the first meeting was held at the YMCA in Washington the meetings were moved to Bethany Church in 1976. Ben Bean who was the Pastor there for over 40 years invited the Right To Life to hold their meetings at the church and Ben Bean became the Vice President and held that position for many years. Ben & Eva Bean were very hospitable to the Right to Life members, and many lasting friendships were made because of Ben's invitation to the Right To Life.

When Donna Gentry took over as President, and the Pregnancy Care Center was started in January of 1999, the meetings were then moved to the Main Street location of the PCC on Main Street in Washington. After the building sold, the Right To Life & the PCC were moved to 608 West Walnut Street in September of 2004. In November of 2008 the Right To Life and the PCC moved to the present location on 705 Troy Road in the lower level of the Grace Baptist Church. They are very pleased with the location and the facilities.

It was sad to see the church taken down, but the membership of the church had grown so much they built a new church on highway 57 south of Washington. The old church was taken down on Monday August 11, and it took several days for the clean up. The old site of Bethany Christian Church will always have a soft spot in our hearts, and we will remember Ben & Eva Bean and the many hours we worked together on the many functions for Daviess RTL and the Support they gave us. We will always remember those dedicated members who worked so hard to start Daviess County Right To Life, especially the Wichman Family who are too numerous to name here. We will always remember those early days and thank those who gave so much in the fight against Abortion. God Bless Them!

## Paper Drives Continue for Right to Life Organization

Shown here is part of the Paper Drive Crew that works the Paper Drive at the old K-Mart Parking lot. Pictured in first row, (L-R) Doug Crouse, Josh Wichman, Megan Wichman, Mitchell Kavanaugh, Sarah Wichman, AJ Sellers, Kevin Wichman and Mary Jo "Wichman" Sellers. In the truck (L-R) are the Wichman Brothers: Steve, Mike and Chuck; Raymond Hart and Jeff Collison.

Mike Wichman who is now in charge of the Right To Life Paper Drives took over after his Dad Bernie Wichman got sick in 2002 and passed away. Bernie Wichman took care of the Paper Drives from the beginning back in 1978 until his health failed, and Mike, his son, took up the torch. Mike has always helped at the drives and along with his brothers Chuck and Steve Wichman were always dependable help for the drives. In fact, the the Wichman Family has always been well represented at the Paper Drives. Beginning with Bernie and his brothers Bill and Bob and Bernie's children and other members of the Wichman Family, we could not have done it without them. Bernie's wife Alma always made the sandwiches and got the soft drinks for the crew. When Alma got sick and was unable to do it anymore, their daughter Mary Jo "Wichman" Sellers took over and does it to this day. Mary Jo was also the Treasurer for the Daviess Co. Right To Life for many years and has continued the tradation of the Wichman family helping out at these paper drives. Many of the Wichman Grandchildren have helped at one time or another and continue to do so to this day.

The Paper Drives started back in 1978 at the parking lot next to Washington Catholic School, then moved to old 3-D Plaza, then to the old Big Blue Parking lot and then to Old K-Mart Parking lot, to the Fastenal lot and now back to the Tractor Supply Parking Lot (Old K-Mart Lot.) Over the years the Paper Drives would fill a full semi in one day, but now because of the cut back in newsprint it may take two drives or more to fill a semi-trailor. In the last several years the Right To Life has started recycling alumium cans, and this has proved to be very beneficial to the group. At one time the Paper Drives also took magazines, but we do not have an outlet to sell them and that was discontinued years ago.

The Paper Drives are held the first Sat. of the even months of the year with the main location at the Tractor Supply Parking lot in Washington. We have pickup points at Plainville, Odon, Elnora, and Montgomery. Over the years it is estimated we have saved a thousand or more tons of paper from going to the landfill and in the process helped the local RTL Organization to promote life. At one point the Paper Drives were the main source of income for the organization but now our donations have increased and have helped the organization to do even more in the battle against abortion. We thank everyone for their support of these drives and hope you will continue to recxycle.

# In Memory of Donna Gentry

November 16, 1941 - February 2, 2011

Pictured above is Donna Gentry of Daviess County Right To Life just minutes before she was to be honored at the Dedication Ceremony on Friday, January 28, at the Daviess County Chamber of Commerce Plaza on Main Street in Washington. Donna suffered a massive stroke towards the end of the ceremony and was taken to the hospital and passed away five days later on Wednesday afternoon, February 2. She was laid to rest on Saturday, February 5.

Donna Gentry leaves a long list of accomplishments, not only in the Right To Life and the Pregnancy Care Center, but also in other community organizations. Placing the Bench/Monument at the site where the Pregnancy Care Center was founded in January of 1999 was done by Daviess County Right To Life Organization to highlight the significance of that endeavor. This bench would also honor Donna Gentry who was the founder of the Pregnancy Care Center and honor the many lives she has been able to touch, the many people she has helped and for her many accomplishments in the pro-life movement. The work of the Pregnancy Care Center would not have been possible without the dedication of Donna Gentry to see it through.

Ever so often you come across an individual who has made such a huge impact on their community, and this has been evident in Donna Gentry's passing. The impact by Gentry was evident by the many people who paid their respects and to the large crowd who attended her Funeral. Donna's Granddaughter Brienne Rainey said it best as she ended her remarks at the Funeral. **"We remember her as a great woman, but she wasn't, she was a simple woman that did great things through Jesus."**

**Donna's spirit will live on in the pro-life work she has started.**

**We will never forget the contribution she has made to the unborn!**

## "What is happening to America because of abortion?"

The United States of America is truly an amazing country to live in; however, I do not agree with all the ideas and/or laws that make it up. I do not agree with abortion or the idea of taking another's life. What is happening to the American people because of it is terrifying.

A recent study done in 2011 was published by the British Journal of Psychiatry. "The study examined medical information from 877,000 women, of which 164,000 had an abortion; the women who had an abortion were 81 percent more likely to experience mental health struggles," ("How Does Abortion Affect Mental Health? Does It Have an Affect," 2018). Mental health problems and substance abuse have been linked to women who have had abortions. Depression, anxiety, and abuse of alcohol and marijuana are some of the things commonly seen among women who aborted their babies. Many of the women with these conditions are not treated or do not want to receive help.

My generation has become almost desensitized to abortion. A lot of young people don't see it as the unjust killing of a human life. When the idea of abortion first came out, people were horrified. Now, for too many, it is just something we grew up with and don't think twice about. Increasingly, abortion has become something that is accepted and sympathized with in America. People have begun to see abortion as another form of contraception. If a condom or birth control doesn't work and the woman somehow becomes pregnant, abortion is the deadly alternative. To them abortion isn't the killing of an innocent child but a method of getting rid of a "problem". Children are not "problems"; they are gifts from God. New laws like the one recently passed in New York is basically infanticide, proof positive some have become desensitized to the abortion madness.

Increased immorality can also be a result of abortion. Nowadays a person is in the minority if they do not have sex by their early 20s. In my opinion, sex is not something to be taken lightly; it should be reserved for your future husband or wife after you are married. However, that is not the popular opinion. More and more men and women are having sexual relationships outside of marriage and as a result becoming pregnant. Young, unmarried women do not want the responsibility of caring for a child. They do not want to put their lives on hold. Unmarried women make up approximately 86% of abortions done today, 41% are women who are 24 years old or younger (Frey, 2018). This goes back to abortion being a contraceptive. Women and men who want to have sex with no consequences can because abortion can "fix" the problem. There is always a way out.

As a Christian, I believe that every life matters, no matter how small or big, how young or old. I hope to advance this ideal to my generation as a nurse and advocate for the sanctity of life, born and unborn. Every child is a gift of God with a purpose and a destiny. A society that kills its unborn is snuffing out its future and will reap negative results.

# **In Memory of Marvin Arvin,**

## **Warrior for the Pro-Life Movement!**

Marvin Arvin passed away on December 31 of 2018 after a short battle with cancer. Marvin served for many years as President of Martin County Right to Life and worked closely with Daviess County RTL along with Indiana Right to Life and other Pro-Life Groups.

He designed and made the pro-life wooden signs that dot the highway landscape along Daviess and Martin County highways. In fact it was in September of 2018 while putting up one of the signs that Marvin thought he was having back trouble but what turned out to be much worse. It was late November before he was diagnosed with stage four cancer and died about a month later.

We Thank Him for his many Years of Service and He will be missed. We are thankful for the many contributions that Marvin made to the Right to Life and for his dedication in saving the lives of the unborn. Marvin was 84 years old when he passed and would have been 85 in January. He was a fine Christian man that strongly believed in the Right to Life for all God's Children. He was a veteran and was a patriot for his country.

**We say "Well Done Good and Faithful Servant".  
May the Angels welcome you into Paradise!**

## **In Memory of Scott Waggner We Will Always Remember You!**

### **Tribute to Scott Waggner, Passed Away on January 9, 2019**

On January 9<sup>th</sup> of 2019 Martin County Right to Life lost one of their strongest supporters when Scott Waggner passed away after battling cancer for several years. Scott was not one of the officers but he strongly supported the organization and did what he could to help.

Van McAtee who is the President of Martin County RTL and a good friend of Scott Waggner praised Scott for always being there to support Right to Life and he gave Van encouragement in whatever he done. Van stood by Scott's side for much of the last year taking him to Doctor appointments and just visiting him and encouraging him to keep fighting the cancer.

Scott was selected to be the Grand Marshall for the Loogootee Christmas Parade in December of 2018 and Van McAtee drove Scott in that parade. Scott enjoyed that day and it was probably one of the last good days Scott had before he passed away.

He attended the Right to Life Banquet in 2017 but was in the hospital and unable to attend the Banquet in 2018. Scott will be missed not only as a pro-lifer but he stood strong for Christian principles. We say, "Well Done Good and Faithful Servant, It was time to go home!"

## **In Memory of Father Gordon Mann**

### **Tribute to Father Gordon Mann, Passed Away on February 28, 2019**

**Reverend Gordon A. Mann, 59**, of Evansville died on Feb. 28, 2019, after a courageous battle with leukemia. He was born in Evansville on May 30, 1959 and He grew up as a member of Christ the King Parish in Evansville. He attended the University of St. Mary of the Lake in Mundelein, Illinois. Bishop Gerald Gettelfinger ordained Father Mann to the priesthood on June 6, 1992.

Father Gordon Mann was a vibrant, faithful priest with a gentle heart filled with the love of Jesus. He served the people of the Diocese of Evansville faithfully for nearly 27 years. At the time of his death, Fr. Gordon was serving as associate pastor of St. Philip Parish in Posey County and Corpus Christi Parish in Evansville.

**Father Mann was a strong supporter of the pro-life movement and on Oct. 1 of 2009 was the Main Speaker at the Annual Fall Right to Life Banquet. He was truly a friend of the Right to Life Movement. He will truly be missed.**

“Their 15 children want to thank their Parents for letting God be in control and accepting each child as a gift from Him.”

Sons: Jim, Tom, Fred, Bill, Tim, Andy, and Kevin Arvin

Daughters: MariBeth Graber, Peg Dages, Patty Fuhs, Clara Meyer, Kathy Warner, Marti Arvin, Jenny Potts, and Jackie Yokem

Virginia once told her Family,  
*“He who does not have  
compassion for the most  
vulnerable of life will have  
compassion for no life.”*

Sylvester Arvin passed away on June 10, 1966, and Virginia Arvin passed away July 31, 2009. When Sylvester died unexpectedly in 1966 Virginia was expecting her 15th child, and she never asked why this happened to her, but she accepted what the Lord had given to her and worked to raise her 15 children with all the strength that Our Lord had given her. Life was not easy for her, but Virginia was not one to ask why but would do with what She had to do in order to care for her family. She was truly a Woman of strong faith in God, and He did not let her down. Virginia raised those 15 children with the help of God and her grit and determination. They all turned out to be a true credit to their Mom and Dad. God Bless their Family!

## FRIENDS-

*I'm very proud to be a part of the Pro-Life majority in the United States Senate. We are working with President Trump to protect our values, keep our economy growing, our entrepreneurs hiring and our courts true to our Constitution. I'm very proud to be joined by Senator Mike Braun in this effort.*

*I remain committed to our shared Pro-Life principles and those of limited government, free enterprise, and individual liberty. And I'm happy to report that we have confirmed two Supreme Court Justices. Along with Neil Gorsuch and Brett Kavanaugh, we have changed the face and future of America's courts by confirming more than 100 federal judges.*

# **In loving Memory of John Porter**

**September 25, 1937**

**June 10, 2019**

**John Porter was a Pastor for the Nazarene Church and continued to be active for many years. He was a pilot and loved to fly. He along with his wife Ellen ran a flight school in Richmond Indiana. He was an outdoorsman and he was proud that he was able to swim across the Ohio River.**

# In loving Memory of Erika Summers

**Born:**  
**May 12,**  
**1934**  
**Died:**  
**June 6,**  
**2019**

I am standing upon the seashore. A Ship, at my side, spreads here white sails to the morning breeze and starts for the blue ocean. She is an object of beauty and strength.

I stand and watch her until, at length, she hangs like a speck of white cloud just where the sea and sky come to mingle with each other. **Then, someone at my side says, "There, She is gone." Gone Where?**

Gone from my sight. That is all. She is just a large in mast, hull and spar as she was when she left my side. And, she is just as able to bear the load of living freight to her destined port.

Her diminished size is in me, not in her. And, just at the moment when someone at my side say, "There, she is gone," There are other eyes watching her coming, and other voices ready to take up the glad shout, **"Here she comes!" And that is dying...** Henry Van Dyke

## *The Catholic Parish of:*

St. Peter, Montgomery, supports life from conception to natural death. Those who procure abortions do not know what they are throwing away. Already sent to eternal life may be the man or woman who was to discover a cure for cancer or diabetes. Or, he or she may have been the world leader who could finally lead us to world peace through a resolution of the religious differences that separate so many of us and lead to war and acts of terrorism.

We pray that those who are contemplating abortion will give birth to their baby and provide a married couple with the child they could never have. We do not know what we are throwing away!

# **Petersburg General Baptist Church**

In loving memory of Petersburg  
General Baptist Family....

They may be gone from this earth,  
however, not forgotten. We have fond  
memories of their ministry in the church  
and community.

While we miss having fellowship together  
and enjoying their presence, their  
memories live on in our hearts.

May the Lord bless all of their families  
and continue to give the comfort in their  
grief.

We have comfort in knowing we'll see  
them again someday!!

Blessed are those who mourn, for they will be  
comforted. Matthew 5:4

## BLOB OF TISSUE?

“When Elizabeth conceived, God said her womb contained a ‘son,’ not a blob of unwanted tissue!”

“When Mary conceived, God said her womb contained a ‘son,’ not a piece of meaningless tissue to be disposed of for ‘convenience’ sake.”

“When Mary met Elizabeth at Elizabeth’s home, and she heard the salutation of Mary, Elizabeth’s son ‘leaped in her womb.’”

“Blobs of Meaningless tissue? Not at all! At conception a son or daughter is present, already known and named by God, and capable of emotional responses as ‘baby’ grows. Mother and child bond on such a way that God, in His Word, commended that bond as one of the highest and purest relationships we humans can know. Blob of tissue? Never! Brought out of eternity in God’s mind, and destined for an eternity in God’s presence this is a human being, made in the image and likeness of God!”

“Who would dare to interfere with that Divine process, and not fear to face the Creator?”

Written by Tracy L. Jones. Went to meet his Creator 9/23/2006.

Daviess County Right To Life encourages any woman who may be faced with an unexpected pregnancy to seek help from competent individuals. Don't be forced or encouraged into a decision that you will regret the rest of your life. Adoption may be the answer for your baby. Because of abortion, many couples wanting to adopt children may never be able to do so. Give your baby the gift of life. The child will be forever grateful for that decision. If you know someone who may be considering abortion, please give them the number listed below. **Help is available by calling 812-257-1041**
